Indian Society for Blood & Marrow Transplantation

## **CALL FOR ABSTRACTS For 1<sup>st</sup> Annual ISBMT Meeting 2020**

### **Important Dates for Abstract Submission**

Last date for abstract submission – 15<sup>th</sup> February, 2020

Notification of acceptance for poster presentations – 25<sup>th</sup> February, 2020

Participants interested in poster presentations should submit their **ABSTRACT** by 15<sup>th</sup> February, 2020. Notification regarding acceptance of the submission along with the guidelines for presentation will be sent by 25<sup>th</sup> February 2020.

### **GUIDELINES FOR SUBMISSION OF ABSTRACTS.**

You are invited to submit informative abstracts of up to 300 words which would not include the title of the abstract and author affiliations.

Abstracts should be written as a Word document.

The abstract may include one table or graph. Please use Times New Roman font. The font size should be 11 points or greater.

One person can submit more than one abstract.

The abstracts should be sent to the mail id [isbmt2020@cmcvellore.ac.in](mailto:isbmt2020@cmcvellore.ac.in) .

Abstracts must be submitted according to guidelines given below.

#### **Abstract Title**

Please write the title in Title Case (each main word has a capital letter). Do not use quotation marks.

e.g. The Results of the Research Case Study and Its Participants

Leave one blank line between the title and authors/affiliations

#### **Authors and Affiliations**

The full names (no initials) of all participating authors (including yourself) must be included on the abstract. Please do not include degrees or professional titles. The name of the presenting author should be underlined.

Author Affiliations - please include the name of your organization, the city, the state, and the country.

Use a superscript number to link each author with their affiliation.

#### **Abstract Text**

Abstracts that merely state the results that will be presented will be subject to rejection. All abstracts are subject to review by the Scientific Programme Committee and acceptance into the program is not guaranteed. The Committee suggests that the abstract follow the format outlined below.

# ISBMT

Indian Society for Blood & Marrow Transplantation

**Aim**

**Methods**

**Results**

**Conclusion**

The abstracts must be submitted in one of the following sections:

1. Leukemias
2. Lymphoma/Myeloma
3. Bone marrow failure syndromes including MDS.
4. Infections
5. Conditioning regimens
6. GVHD and other post-transplant complications
7. Hemoglobinopathies
8. primary immune deficiency diseases and metabolic disorders.
9. Pediatric transplantation
10. Basic Science
11. Allied (Nursing, technical aspects such as graft processing, cryopreservation, quality control, cost effectiveness etc.)

All presenters should have registered for the conference at the time of notification of acceptance for poster presentation. Registration is mandatory but complimentary for the conference. Both the abstract and registration details (ie Name and Affiliation) should be sent to the email id- [isbmt2020@cmcvellore.ac.in](mailto:isbmt2020@cmcvellore.ac.in)

Submission of the abstract carries with it an obligation to present the accepted abstract in person **without any change in scientific content** during the allotted time in the above conference. Withdrawal of presentation should be intimated to the email id [isbmt2020@cmcvellore.ac.in](mailto:isbmt2020@cmcvellore.ac.in) on or before 1<sup>st</sup> March, 2020.
